ABOUT US

Kitienergy and Consulting Limited came in to existence to introduce Competency, Effectiveness, Efficiency and Transparency into the Maritime Industry. Hence the company was registered under the Company and Allied Matters Act of Federal Republic with **Corporate Affairs Commission (CAC)** Registration number, **RC No: 1651298**.

Since her registration, **Kitienergy and Consulting Limited** has been a solution provider to the Maritime industry.

For the fact that we operate onshore and offshore, this earned **Kitienergy and Consulting Limited** the

Corporate Membership of **Port And Terminal Management Academy of Nigeria**

Kitienergy has established a strong global tie to ensure the management of Operational Efficiency and Effectiveness of other maritime companies continuously, as an enterprise in the maritime industry.

We have produced world-class human resources in the industry under our strategic training outfit.

This is to ensure that our Clients offer globally accepted services to their numerous customers profitably, mostly on heavy duty machinery. We ease the Import, Export and Warehousing of our Clients' shipments in the world of international trade. With Us solution to maritime equipment is sure.

Bringing energy to life...
